PRINCIPAL'S MESSAGE

Happy New Year, East Families!

I hope your winter break brought rest, laughter, and time spent with the people who matter most. As we return to school and begin a new year together, I am looking forward to the learning, growth, and shared experiences that 2026 will bring for our students and staff.

January is always a wonderful time to reset and refocus. In classrooms, students are settling back into routines and diving into new learning with enthusiasm. This month, our school-wide theme is perseverance—encouraging students to keep trying, take risks, and recognize that improvement comes with effort. You can support this at home by talking with your child about a goal they have for this month and celebrating the small steps they take toward achieving it.

Below are a few important reminders for January: Kindergarten registration for the 2026–27 school year is now open, and Report Cards will be available in PowerSchool on January 30th.

Thank you for the care and support you show our school every day. Our success is rooted in strong partnerships with families, and I truly appreciate the collaboration and positivity you bring to our community.

Wishing each of you a bright and encouraging start to the year ahead. I'm excited for everything we will accomplish together in 2026!

Warm regards,
Carla Fisher

Absence Reporting/ Student Sign Out

SafeArrival -Reporting Student Absences

Dear Parents / Guardians,

To enhance our existing absence-checking procedure, we are introducing *a new, more efficient* student absence reporting system called ***SafeArrival***. This new system will reduce the time it takes to verify student attendance, make it easy for you to respond your child's absence and easy for staff to respond to unexplained student absences.

With ***SafeArrival***, you are asked to report your child's absence in advance using any of these 3 convenient methods:

On your mobile device:

- Using your mobile device, download and install the ***SchoolMessenger Home*** app from the *Apple App Store* or the *Google Play Store*.

- The first time you use the app, select ***Sign up*** to create your account.
- Select ***Attendance*** then ***Report an Absence***.

Use the SchoolMessenger Website:

- Go to the ***SchoolMessenger Website***. <https://go.schoolmessenger.com/#/home>
- The first time you use the website, select ***Sign Up*** to create your account.
- Select ***Attendance*** then ***Report an Absence***.

By Telephone:

- Call the toll-free number ***780-955-4526*** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at anytime.

The automated notification system will attempt to contact the parents at multiple contact points (email, text, push notification & phone call) until a reason is submitted for the absence. If our system is unable to reach the designated contact's, office staff will follow up. If you report your child's absence in advance using the ***SafeArrival*** toll-free number, website or mobile app, you will NOT receive these notifications.

Starting Wednesday, August 27, 2025, please report absences in advance using ***SafeArrival*** instead of sending notes or calling/emailing the school.

Starting Wednesday, August 27, 2025 staff will begin using the ***SafeArrival*** notifications to let you know if your student is absent and the absence is unexplained.

Please download the ***SchoolMessenger Home*** app or sign into the website. If you are having trouble logging in, please contact your school.

If you do not already receive text messages from your school and would like to start, please ensure your school has your mobile phone number and then text "Y" to 987338. (Standard message and data rates may apply.)

Thank you for your patience and cooperation as we implement this new system.
