PRINCIPAL'S MESSAGE

Dear East Elementary Families,

November is a special time for us to show gratitude. On November 11th, we observe Remembrance Day, which falls right during our Fall Break here at Black Gold School Division. This break is a wonderful chance for families to attend local Remembrance Day ceremonies together. It's an important time to pause and say 'thank you' to the brave soldiers who have made, and continue to make, big sacrifices to keep us safe and free.

Inside our classrooms, our students are doing an amazing job following their routines and working hard on their learning. The teamwork between our parents, students, and staff is what makes our school such a happy place every single day! I also want to give a huge thank you to our parents for always being so open to talking with me. Those conversations help me grow as your principal. I always try my absolute best, but just like our students, I am still learning too! Sometimes things don't go exactly as planned, and that is okay—it is a great chance for us to learn and do better next time. I love hearing your ideas, so please know that your feedback (both the cheers and the suggestions for improvement!) is always welcome.

As we head into the chilly fall weather, here are a few quick reminders:

1 - SAFETY FIRST Keeping our kiddos safe is our number one job! Throughout the year, we practice our Hour Zero emergency drills (like fire drills and hold-and-secures) so our students know exactly what to do and feel safe and confident. You can find more details about this in the Hour Zero Emergency Response guide we shared earlier (and on the BGSD main website).

2- DRESS FOR THE WEATHER Fall in Alberta loves to keep us guessing, and it is getting chilly out there! We love getting fresh air, so students go outside for recess every day unless the weather is extreme. Please make sure your child comes to school ready for the cold with warm layers, a winter coat, and proper boots.

Thank you for your amazing support and for working together with us to make this a fantastic school year!

Sincerely,

Stan Travnik Principal, East Elementary School

Absence Reporting/ Student Sign Out

SafeArrival -Reporting Student Absences

Dear Parents/Guardians,

As a reminder, our school uses the SafeArrival system to report and manage student absences. This system helps us verify attendance more efficiently and follow up quickly on any unexplained absences.

How to Report Your Child's Absence

Please remember to report absences in advance using one of the following three methods:

1. **Mobile App**
   - Download the SchoolMessenger Home app from the Apple App Store or Google Play Store.
   - Sign in (or select Sign Up if you have not yet created an account).
   - Select Attendance, then Report an Absence.

2. **Website**
   - Visit: https://go.schoolmessenger.com/#/home
   - Sign in (or select Sign Up if you are a new user).
   - Click Attendance, then Report an Absence.

3. **Telephone**
   - Call the toll-free number: 780-955-4526
   - Follow the automated prompts to report the absence.

These options are available 24 hours a day, 7 days a week, and future absences can be reported at any time.

If an absence is not reported in advance, the automated system will contact parents/guardians by email, text, push notification, and phone call until a reason is submitted. If there is no response, office staff will follow up.

If you report the absence using the SafeArrival app, website, or phone system, you will not receive these notifications.

If you need assistance logging in, please contact the school office.

If you would like to receive text messages from the school and are not currently receiving them, please ensure we have your mobile number on file and text "Y" to 987338 (standard message and data rates may apply).

Thank you for your continued cooperation in helping us keep our attendance records accurate and up to date.

BACK TO SCHOOL FOR YEAR THREE!

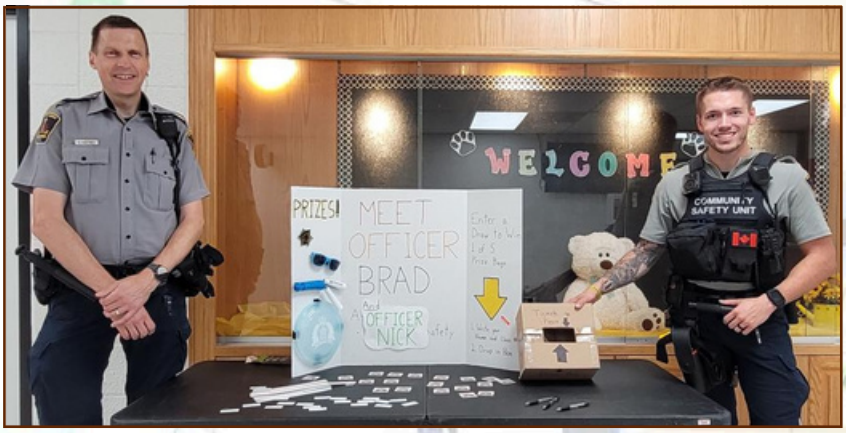

Outside of East Elementary School (from left to right): Principal Stan Travnik, me, CPO SGT Mike Stadnyk, Assistant Principal Caitlin Pedersen.

After the summer break, I was ready to begin another year as the School Resource Officer (SRO). Throughout the break, I had other Community Peace Officer (CPO) responsibilities, which included responding to community complaints, assisting with the training of a new officer, and attending community events.

To ease myself back into the schools, I decided to try something different by having prize raffles at each school. Five prize bags were awarded at every elementary school, each containing an officer badge, sunglasses, skipping rope, and a frisbee.

(continuedon next page)

The raffles were a great way to engage students, and they created positive interactions with hundreds of them. Many students asked questions about the role of peace officers in the community, with many of them having questions about what officers do. Over 1700 students at Black Gold elementary schools took part in the raffles.

OFFICER NICK

CPO Nick De Boer continued to support the SRO program throughout September by assisting with school visits and presentations. He has shown himself to be an important asset, with a strong commitment to student engagement. He enhances the program whether we are together, or during times when I am not available. Thank you, Nick, for your continued help.

Officer Nick, a co-SRO, in action.

TERRY FOX WALK

On September 23rd, Officer Nick and I atended the Terry Fox Walk at École Leduc Estates School. This walk made a 2 kilometre loop through the Windrose neighbourhood and back to the school. Following the walk, staff got together for a game of dodgeball, using stockings filled with flour. Although there was no definite winner, the game was very enjoyable by staff and spectators, including the whole school.

The fun and chaos of the dodgeball challenge.

PRESENTATIONS

In September, 53 “Getting to School Safely” presentations were delivered to Black Gold elementary schools. These presentations reminded students on the importance of street, bike, scooter, and railway safety.
